PPM SYSTEM:

The PPM System is Australia's most comprehensive Property Management Procedural System. The backbone to the system is a collection of detailed checklists with hyperlink functionality to: More than ✓ 90 forms ✓ 60 training procedures & (flowcharts) ✓ 220 letters ✓ 300 scripts & dialogues and lots more. Follow the checklist hyperlinks and you cannot go wrong! (At the click of a button the document appears on the computer screen – no need for paper)

Yes, I want to know more about the complete PPM System

Please send me a complimentary risk, time & customer service questionnaire (*more than 130 questions*) designed to detect the strengths and weaknesses within property management departments. This report is normally valued at \$550
